

Yes, you can **work** + get **ODSP.**

For more information about working while on
ODSP Income Support, speak with your caseworker.

www.ontario.ca/socialassistance

Yes, you can work while you are getting financial help from ODSP!

And you will have more money while working than you would from ODSP Income Support alone.

If you are on ODSP and you want to work, we can help with the costs of getting ready for, finding and starting a job.

For more information about working while on ODSP Income Support, speak with your caseworker.
